VIRGINIA LEAGUE MAGNATES GATHER HERE TO-MORROW

Magnates of the Virginia League will gather in the Richmond Hotel to-morrow at noon for the purpose of further considering the equitable schedule which President J. O. Boatwright was instructed to draft in lieu of the schedule submitted, giving all week-end series to Richmond. The new schedule is almost certain of adoption. Principal opposition originally was from Richmond, the city to be sacrificed on the equitable schedule fire, but Richmond will no longer prove a stumbling block. If there is to be opposition to-morrow, it must come from some other source, from some source realizing that the death-knell of the league will be sounded the moment the goose laying the eggs of gold is throttled.

Petersburg is sure to lead the fight for the new schedule, which, as told some days ago, while reducing the traveling expense of Richmond, increases the mileage of the league about 1,500 miles. This statement is by no means a criticism of the work of President Boatwright. He probably drafted as good a schedule as could be arranged under the instructions given him. The fundamental fault is with the proposed schedule. It will be neither equitable nor profitable, and will cost every club in the circuit a pretty penny, if it does not mean the final undoing of the organization.

SPIDERS HUMBLE ASHLAND QUINT

Richmond College tightened their grip on the Eastern intercollegiate basketball cup last night at the Howitzers' Armory by defeating the Randolph-Macon quint after a hard fight by the close score of 20 to 25. The game was played before the largest crowd ever gathered in the armory, and the throng enjoyed every minute of the fast and furious fighting, and "fighting" is the correct adjective for the game, as a fierce tussle from beginning to end.

The Yellow Jackets started off strong and soon had local Colletians on the run, and at the end of the first period the score stood 18 to 14 in favor of the visitors. Coach Lockson must have given his charges some of the same medicine he administered to the football team last season, as the Spiders came back with a vengeance and piled up four field goals before the Ashlanders woke up; however, when they did wake up, they made things hum. "Slim" Heubl had the honor of finally turning the tide in favor of the locals. He only shot two goals, but they came at the most opportune moments and proved to be the turning point.

Shaffer played a grand game for the Yellow Jackets, and his remarkable work kept his team in the running at all times, he was a veritable whirl-

wind, it being practically impossible for his guard to keep up with him. Millican, his teammate, also played a star game, but was unable to do much shooting on account of the excellent guard work of Satterfield.

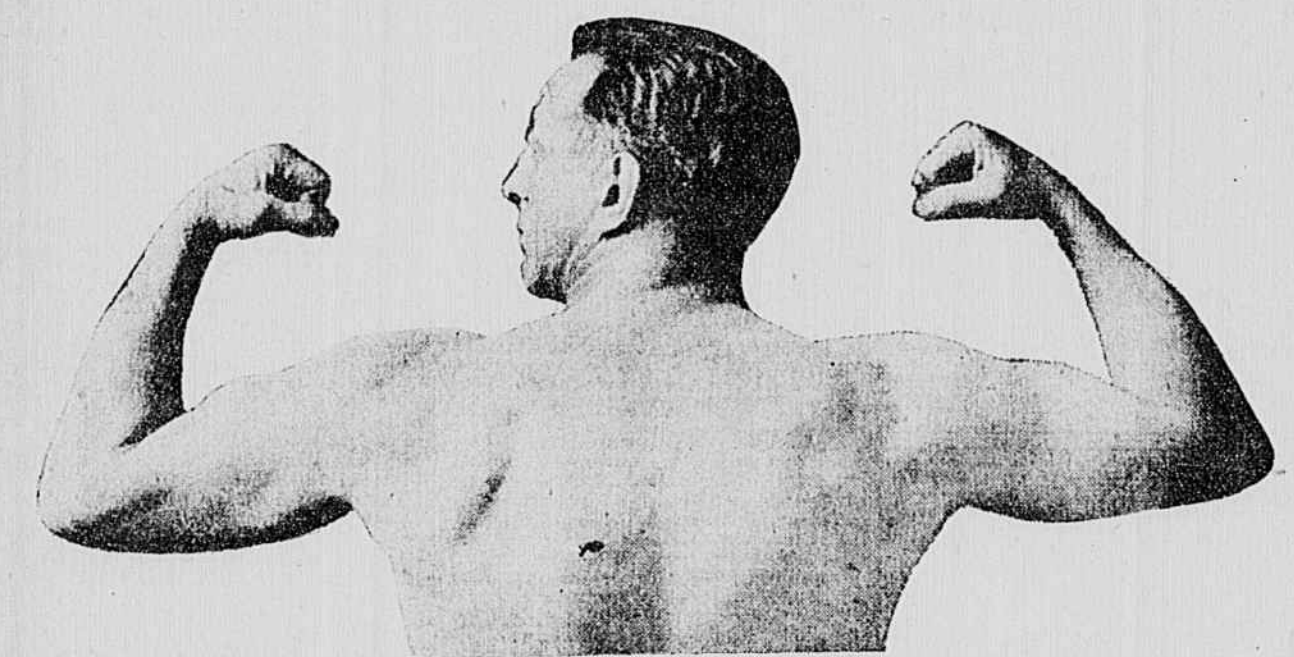

With all due respects to his teammates "Little Bob" Brock put up the finest exhibition of basketball seen on a local court this year, and it was his exceptionally clever work that finally put the Colletians on the road to victory. Some idea of his work can be gathered when it is said that he threw nine field goals, scoring more points than the rest of the team put together. Captain Luebert played a good game, but was woefully off in his free toss work. Satterfield and Mitchell completely outclassed the opposing guards, and were in the game at all times.

The Spiders will clash with William and Mary next Wednesday night at the Howitzers in the deciding game of the series. If the local five is victorious it will give them a clear title to the championship, but in event of their losing they will be forced to play the Yellow Jackets another game.

The line-up and summary of last night's game follows: Richmond College—Luebert, left forward; Brock, right forward; Heubl, center; Mitchell, right guard; Satterfield, left guard; Randolph-Macon—Millican, left forward; Shaffer, right forward; Compton, center; Oast, right guard; Walker, left guard.

Referee, Moore (U. T. S.); umpire, Hughes (U. T. S.); scorer, Wicker (R. C.); timekeeper, Mercer (R. C.). Time of halves, 20 minutes. Field goals—Millican, 3; Shaffer, 2; Compton, 3; Luebert, 2; Brock, 3; Heubl, 2; Satterfield, 1. Goals from fouls—Millican, 4.

DR. B. F. ROLLER

Clever heavyweight, who will meet Nell Olsen, the 230-pound Swede wrestler, on the mat in the City Auditorium Monday night. On the same night Joe Turner will be found defending his title of middleweight champion of the world against Bull Montana. Both bouts are sure to prove thrillers, and hundreds will attend. Seats are on sale at McCoy's, Eighth and Broad Streets.

MATTY REFUSES FEDS' PROPOSAL

Los Angeles, Cal., February 25.—Christy Matheson, the New York National League pitcher, who has been offered the berth as manager of the Brooklyn Federal League club, today left here for Marion Springs, Texas, the spring training camp of the New York Giants. He carried with him his unsigned contract to play with the Giants, and while reiterating his intention to conclude seriously the Federal offer, declared he was confident of coming to terms with the New York National League team.

Terraced another Giant pitcher, also left for Marion Springs today. He, like Matheson, has been offered a Federal berth, and was quoted as saying that he would jump organized baseball if the Giants did not meet his terms.

Bob Givler Gets Draw in Fight. Pottsville, Pa., February 25.—Fighting Bob Givler, of Allentown, and Johnny Greiner, of Lancaster, fought ten fast rounds to a draw before the Pottsville A. C. to-night. Although the popular verdict was a draw, it was clearly a Greiner crowd.

Pimples Should Be Watched

May be Means of Absorbing Harmful Germs in Most Unexpected Manner.

Every research laboratory has collected a vast amount of information regarding the spread of blood diseases. In thousands of instances the most virulent types have been the result of coming in contact with germs in public places, and the apparently insignificant pimple has been the means of transmitting the astonishing rapidly, often infecting the entire system in a few days.

It is fortunate, however, that there is a remedy to cope quickly and thoroughly with such a condition, and thanks to the energy of its producers the famous S. S. may be had at almost any drug store in the civilized world.

This preparation stands alone as a blood purifier. It is somewhat revolutionary in its composition, since it accomplishes all that was ever claimed for mercury, iodides, arsenic, and other destructive mineral drugs, and yet it is absolutely a purely vegetable product. There are more cases of articular rheumatism, locomotor ataxia, paresis, neuritis, and similar diseases resultant from the use of minerals than most people are aware of. These facts are brought out in a highly interesting book compiled by the medical department of The Swift Specific Co., 320 Swift Bldg., Atlanta, Ga. It is mailed free, together with a special letter of advice, to all who are struggling with a blood disorder.

Get a bottle of S. S. to-day of your druggist. Do not accept anything claimed "just as good."

ROLLER ARRIVES TO TRAIN HERE FOR BOUT ON MONDAY

Clever Heavyweight Prepares for Go With Olsen—Turner Tackles Montana.

Dr. B. F. Roller, the cleverest of all wrestlers will arrive in Richmond today for the purpose of completing his training for his finish match with Nell Olsen, the big Swede, on next Monday night. Roller is already in prime condition for the go. He has been wrestling throughout the South, with uniform success, winning all of his engagements, but like all real champions, he does not believe in taking any chances. Therefore, he is here to become acclimated so that there will be no excuses necessary should he lose to the big New Yorker. Olsen, who is not on the mat, is engaged in the meat business, and this keeps him in and in shape. He makes no brag, but to what he expects to do with Roller, but since he has already fought the factor to a standstill, he has hopes of getting the decision.

Joe Turner will meet Bull Montana. Montana (think he can eliminate Turner) and get the right to meet Con Albright instead of the middleweight champion. Turner is willing to abide by the decision on Monday night. Joe says that he was never in better condition to give a good account of himself, and should he lose, will do his cap to Montana. Lovers of the game have seen the big Italian in action, and they also know just what to expect of Turner. Therefore, while the Roller-Olsen match will be the feature of an exceptional card, there will be hundreds in their seats early so as not to miss the Turner-Montana bout.

Those who attended the Olsen-Sendel match, when Duschene failed to arrive for his match with Turner, are entitled to seats for the matches Monday and Tuesday nights. The City Auditorium will be heated in advance so that regardless of weather conditions, those who attend will be comfortable.

Cars in Final Trials

Los Angeles, Cal., February 25.—Sixteen cars to-day were given their last practice spins for to-morrow's Vanderbilt cup race of 204 miles over the Santa Monica racing course. The weather made for a very dry road of 80 to 100 miles an hour. The course was not hurt by the storm of last week, and the cars were pronounced to be in shape for record speed.

V. P. I. TROUNCES LEXINGTON CADETS

Lynchburg, Va., February 25.—Virginia Military Institute proved to be no match in basketball here to-night for Virginia Polytechnic Institute, the Techs easily defeating the Cadets by the score of 17 to 16. The game, rather rough at times, was played with snap, but both teams had unusually hard luck with their goal shooting. The Techs played better defensive ball, and in offense they had the Cadets clearly outclassed. This was especially true in long and short passes. Only after the Techs used two substitutes in the last period could the Cadets score.

The first half, in which the Cadets did not get a field goal, ended 11 to 3, and in the last period were scored until after nine minutes of play.

Fitzgerald was the star for the Techs, while S. Lowry and Clark did the best work for the Cadets. The line-up: V. P. I.—Sanders, right forward; Engleby, left forward; Fitzgerald, center; 3:00 right guard; Cooke, left guard. V. M. I.—Cochran, right forward; Peteroff, left forward; Bacon, center; Clark, right guard; S. Lowry, left guard. Summary: Goals from field—Sanders, 2; Engleby, 6; Howell, 2; Cooke, 2; Peteroff, 2; S. Lowry, 2. Goals from fouls—Engleby, 2; Peteroff, 2; S. Lowry, 2. Substitutes—Cochran, 1; Sanders, 1; Fitzgerald, 1; Vaughan-Robertson, 1; Clark, 1; Engleby, 1; Cooke, 1; S. Lowry, 1; Clark, 1; Clark, 1; Clark, 1. Offenders, both of Lynchburg V. M. I. A. Time, twenty-minute halves.

SYNDICATE HOPES TO PURCHASE CUBS

Chicago, Ill., February 25.—The syndicate composed of William Hale Thompson, James A. Fugh and Charles A. McCulloch to-day took hope that it might have a chance to buy the Cubs when news came from Cincinnati that Mr. Taft had released the \$50,000 bid made by Louis J. Behan. Mr. McCulloch said, however, that his group would take no further action until Mr. Taft answers their telegrams asking if his stock is for sale.

Frank McNichols, who represents another syndicate, was due in Cincinnati this afternoon. It was said at his office here.
